East Entrance

West Entrance

Please note that we do not recommend entering from the West entrance as visitors seem more likely to get lost. The access road looks like part of the parking lot.

★ Watch for signage on parking access road labeled "EVENT" pointing way to P8 or P11 lots. Parking is ample and free. The access road at points looks like it is just part of the parking lot, so refer to this map. The Physical Educ. Building is also called the "Gators Gymnasium".

P9 lot is handicap parking only and has very limited parking.
